## GET READY FOR A GREAT AMERICAN ADVENTURE

When it comes to the Astoria, nothing on board is just for show. The Astoria delivers highly-visible, value-driven standard features, such as hybrid aluminum entry steps, a Bluetooth operating system, and LG solid-surface countertops. This all-new fifth wheel is packed with modern amenities and presents adventurers with a forward-trending, yet timeless design.

### 30" GLASS FIREPLACE

Now you never have to go camping without the glow, warmth and control of your very own fire.

### INCREASED BEDROOM CEILING HEIGHT

No additional step up around the bed results in maximum ceiling height for a residential feel.

### RESIDENTIAL KITCHEN

All kitchens include solid-surface countertops, stainless steel appliances, and tons of storage!

### POP-UP OUTLET

The pop-up "hidden plug-in station" in the kitchen gives you quick and easy access to power when you need it.

### MAXX AIR FAN

Keep your indoor air circulating with this easy-to-operate, high-powered ceiling fan.

### ALL-WEATHER THERMAL PACKAGE

Includes a heated and enclosed underbelly, enclosed gate valves and added insulation for extended camping.

### ONE-TOUCH AUTOMATIC LEVELING SYSTEM

The Ground Control Leveling System, makes leveling your Astoria easier than ever.

### IN-COMMAND REMOTE OPERATING SYSTEM

The touch screen control pad with bluetooth connectivity for smart phones allows you to control and monitor the systems in your RV.

### MULTIPLE USB OUTLETS

Added connectivity for the entire family.
