

## OWNING A COLEMAN RV IS AN EXPERIENCE.

It's a ticket to a lifetime of memories and timeless adventures. We're proud to connect families with the trailblazing value and legendary innovations we put into every one of our RVs. We're thankful for those who choose to make us a part of their family, and we look forward to every journey still to come.

### OUR PRE-DELIVERY GUARANTEE

To ensure every Dutchmen RV reflects the quality customers have come to expect, each unit undergoes a 100% Pre-Delivery Inspection. Our thorough 253-point assessment checks for accurate measurements and fully-functional electronics and components to deliver long-lasting RVs to adventurers everywhere.

### MORE TIME FOR PEACE OF MIND

At Dutchmen, we want the ownership experience to be as stress-free as possible. That's why each Dutchmen RV is backed by our all-new 3-year limited structural warranty. Besting the industry's typical one- or two-year warranties, our owners now enjoy two entire extra years of continuous value and peace of mind.

### PROFESSIONAL PARTS AND SERVICE

Our industry-leading parts and service team provides customers with extreme accuracy, reliability and professionalism long after the purchase. Whether it's for replacement parts, routine checkups or technical help, our aftermarket support streamlines the entire experience to help customers get back on the road and stay there longer.
