

Soul of the RV

Whether a weekend getaway or an extended season, the Aspen Trail will renew your spirit. With more standard features and a focus on quality, value, and design, find your soul of the RV.

See the DUTCHMEN® Construction Advantage.

We put a great amount of thought into every RV we design and build. From strong frames, to sturdy walls and insulation, we build every RV to take you on many adventures to come.

The Leader in Parts & Service

Dutchmen
35TH ANNIVERSARY

Dutchmen began in 1988, this model year we are celebrating our 35th Anniversary. Our long term success comes from never losing focus on our core mission "We work for the customer".

Everything we put into our Kodiak is designed not only to help you hit the road in comfort and style, but to also help you make memories with family, friends, and fellow travelers along the way.

35TH ANNIVERSARY

KODIAK CUB

Free to Roam

- **Composite Floor Construction** - a wood-free flooring system to provide a lighter more durable structure.
- **Torsion Axle** - advanced rubberized suspension provides a smoother ride and an extra 3" of ground clearance.
- **Off-Road Aluminum Wheel & Tire Package** - the destination isn't always paved.
- **Fully Enclosed Underbelly** - all of your RV's vital functions are kept out of the elements. Plus, this extra layer of protection means you can travel further into the year.
- **Aluminum Steps** - stability you need when coming and going from your Kodiak Cub. Easy to expand and store away, these aluminum steps deliver a sound platform.
- **Fiberglass Front Cap w/Automotive Windshield** - easy maintenance and enhanced durability.
- **Light Weight Laminated Construction** - all aluminum frame construction with laminated components for the lightest weights in it's class.
